Comment from Mayor Tim Kelly on Unanimous City Council Vote in Favor of FY2021-22 Budget

CHATTANOOGA, Tenn. (Sept. 7, 2021) — “I’m grateful to the Chattanooga City Council for partnering with us to lay the groundwork for tackling the structural challenges our community faces while we also get the basics right -- all while ensuring our first responders and essential workers are paid fairly,” said Mayor Tim Kelly. “With this budget, we're able to capitalize on the growth of Chattanooga's economy to ensure every resident has access to quality and responsive city services to keep pace with that growth.”
